“ A big thank you for all your support, having hosted us at Mirabeau and for lending us your baby, Belle! We had an enchanting, amazing, magical and unforgettable wedding! Our guests were delighted with the wine tasting on Thursday evening and nearly killed all the rosé on the wedding day (we managed to spare a few bottles). It was wonderful getting to know you and have you involved in our big day.

Chloe & Anthony, Château Robernier ”

“ From the initial tasting through to the final delivery on our wedding day, the Mirabeau team were absolutely brilliant in every way. As for the wines themselves, let's just say 130 of our nearest and dearest are now hooked on the Pure rose! It's dangerously delicious.

Joely & James, Château Robernier ”

Belle Rosé Wine Bar Service

Wedding guests love our 'Belle' almost as much as they love our Provence Rosé! Our little Citroën 2CV Acadiane is a fun addition to pre-wedding apéros and post-wedding BBQs.

Two Mirabeau team members will drive Belle to the venue, set up the rosé bar and serve Mirabeau Wine.

They may also share the inspiring Mirabeau story and tips about Provence rosé with guests.

Pure Personalised Labels

With its elegant design (and incredible wine) our Pure bottles grace any bridal table! And they are a lovely canvas to have your very own wedding logo in white.

Getting married in France

Using your logo or text preferences, we create the label and get it printed. Our team then stickers each bottle by hand, and places them back into cases of 6 that are clearly marked, ready for delivery. Please note we cannot accept returns of personalised wine bottles.

Getting married in the UK

There are two options available:

- The same as getting married in France, however we send the personalised bottles to the UK via our warehouse, who will deliver it to your preferred address. *Planning for the correct lead time is crucial.*
- On purchasing Mirabeau Pure from Waitrose, we will create your label and have it printed in France, and posted to you in the UK, where you arrange the application of the stickers.

Private Winetasting Events

Destination weddings often mean that guests arrive a few days before the actual wedding. Entertain your special guests with a private winetasting event in our gorgeous boutique (small groups up to 10 people).

Inspiring, informative and fun

Seated around our boardroom table, we will present the Mirabeau story, share how Provence rosé wine is made, and of course, do a winetasting of our range - including the wines only available in the boutique.

Walk-in winetastings are also possible during boutique hours:

- Tuesdays - Saturdays 10h-17h
- Wednesdays 10h-12:30h
- Extended hours during high season

Private winetasting events need to be reserved.
